PROFILE

A diligent and meticulous video editor and First-Class Honours Television Production graduate with a tenacious work ethic, passion for storytelling, and proven ability to consistently deliver high-quality work. Skilled and versatile Premiere Pro editor with freelancing and hands-on volunteer experiences taking on sound, cinematography, and photography roles in short films and live studio productions. Motivated to complete any given task to the highest standards and thrives in piecing together complex puzzles to build compelling stories. Currently seeking opportunities that offer the rewarding prospect of career progression and collaborations with like-minded creatives with the same hunger for growth.

KEY SKILLS

- Native English speaker from Hong Kong and expert in English written communication.
- Specialises in *Premiere Pro* and well-versed with *After Effects*, *DaVinci Resolve*, and *Photoshop*.
- Skilled and confident in colour correction and grading, audio mixing, VFX, rotoscoping, motion graphics, and has a strong sense of narrative.
- Has edited short-form and long-form video content, like short films, social media videos, advertisements, and documentaries.
- Achieved an A* for Graphic Design at IGCSE level.
- Operated different sound (*Rode NTG-3* and *Sennheiser*) and camera equipment (*Canon DSLR*, *Panasonic DVX200*, and *Sony EX1*) for filming and photography.
- Open-minded and highly adaptable to high-stress situations due to previous live studio production experience.
- Proactive, organised, and thorough in each stage of the process, ensuring each completed project milestone is mutually approved by collaborators and clients alike.
- Performs well independently *and* collaboratively, demonstrated through taking on diverse roles.

EXPERIENCE

Freelance Video Editor on Upwork | 04/2022 - Present

- Editing YouTube video content for comedy gonzo news channel *PRTY NWZ* - all the news that's fit to party.
- Editing corporate, webinar, and explainer videos part-time for *FWI Media*, a Toronto-based video production company.

Camera Operator | 01/2019 - 04/2019 Maidstone, Kent

- Operated a Sony EX1 camcorder at the studio floor for our student-led children's game show entitled *Mission Control*.
- Co-planned and shot funny talking-head videos for the show's VT segments alongside the VT producer and director.

Sound Assistant | 04/2018 Maidstone, Kent

- Undertook a set of tasks at the studio floor communicated to me by a student sound mixer and professional sound technician via talkback:
- Clipped and taped Sennheiser Lavalier microphones onto each guest before they walked onto the stage.
- Changed batteries from the corresponding wireless bodypack transmitters.

Sound Recordist | 03/2018 Maidstone, Kent

- Volunteered to record sound for a few scenes from a third-year student major project entitled "Hideaway" taking place at a public park.

Behind-the-Scenes Photographer | 02/2018 Maidstone, Kent

- Volunteered to shoot behind-the-scenes stills on a third-year student major project entitled "Condemned".

Sound Recordist for Delfilm Ltd. | 10/2017 Kent

- Recorded sound for Derek Boyes, a professional freelance filmmaker, on a micro-budget thriller short film entitled "Last Night", which was shot entirely on the iPhone 6s.
